PROJECTS

Snake and Ladder ([Github](#))

2022

Concordia University, Montreal, QC

- Created the simulation of the snake and ladder game which strengthened my skills in object-oriented programming.
- Sorting the players in order and determining their turns improved my understanding and skills in arrays.
- Created a user interactive game where the user can input the number of users and determine the name of these users. The game will display the name of the winner at the end of the game.

Grocery Website (Full-Stack)

2022

Concordia University ([Website](#) - [GitHub](#))

- Led a team of 6: Organized meetings, delegated tasks, and helped teammates debug.
- Implemented the entire user list on the back store page and also validate the users.
- Created fully responsive pages
- Used: HTML, CSS, Bootstrap, JavaScript, and PHP

Core Competencies: Leadership, Critical Thinking, Adaptability, Problem Analysis , Problem Solving

WORK EXPERIENCE

Assistant Cook

Sept2019- Present

Vieux-Port Steakhouse, Montreal, QC

- Maintained a good working environment by implementing teamwork and having good communication skills

with co-workers.

- Formulated immediate solutions to sudden issues that occurred during workflow by the ability to work under pressure.
- Prioritized coordination with the other co-workers.

Busboy

Sept 2018– May 2019

Restaurant Galaxa, Montreal, QC

- Customer service skills to interact with the customers.
- Familiarized with the methods and regulations regarding food production and service

Core Competencies: Time Management, Communication, Teamwork, Organization, Working under Pressure

VOLUNTEER WORK

Position Title Volunteer Helper

Sept 2016

Life Makers Egypt, Banha, Qalyubiya, Egypt

- The organization was meant to help poor people and provide them with goods and food, and help them to have a better life. My job in the organization was to help in the distribution of the goods.

INTERESTS

Experience Abroad Reading

By visiting Germany, my admiration for art flourished as I visited the Städel museum.
I prefer to read science fiction and drama readings along with some crime readings as well

Sports

I played basketball in Egypt in my school team and a professional club (2014,2015,2016,2017)
We got 2nd place in 2016 in the school's cup. We got the 3rd in 2017.

Passions

I love to help others. I also love to self-improve and try to get better.
